### Nature of work description

Nature of work - General business

Description of processing

The following is a broad description of the way this organisation/data controller processes personal information. To understand how your own personal information is processed you may need to refer to any personal communications you have received, check any privacy notices the organisation has provided or contact the organisation to ask about your personal circumstances.

Reasons/purposes for processing information

We process personal information to enable us to promote our goods and services, to maintain our accounts and records and to support and manage our staff.

Type/classes of information processed

We process information relevant to the above reasons/purposes. This may include:

- personal details
- financial details
- employment and education details
- goods or services provided

Who the information is processed about

We process personal information about our:

- employees
- franchisees
- customers and clients
- complainants and enquirers

Who the information may be shared with

We sometimes need to share the personal information we process with the individual themselves and also with other organisations. Where this is necessary we are required to comply with all aspects of the Data Protection Act (DPA). What follows is a description of the types of organisations we may need to share some of the personal information we process with for one or more reasons.

Where necessary or required we share information with:

- franchise holders of Stopcocks Group

Transfers

It may sometimes be necessary to transfer personal information overseas. When this is needed information is only shared within the European Economic Area (EEA). Any transfers made will be in full compliance with all aspects of the data protection act.
