

Taps, Traps and Toilets Training Application

Name.....

Address.....

.....

Email.....

Phone: Landline..... Mobile.....

D.O.B.

Current Employment (if applicable).....

Plumbing or other skilled trades training (if any).....

.....

I want to participate in this training because.....

.....

.....

The Stopcocks Taps, Traps and Toilets Training is a first step into self-employment as a Stopcocks Women Plumbers Franchisee for women who for whatever reason have not completed training as a plumber. It will give you skills to work on specific jobs in customers' homes and is not intended to replace training as a plumber.

This training is only available to Stopcocks Women Plumbers Franchise holders and those who intend to become Stopcocks Women Plumbers Franchise holders.

Before commencement on the STTT you will have demonstrated your ability to pay for a Stopcocks Franchise (at any level) and your commitment to becoming a Stopcocks Franchise holder.

Terms and Conditions apply.

The Stopcocks Franchise has it's own legal agreement and contract with it's own terms and conditions which you will be required to sign.

I have read and understood this document.
